Announcements:

Membership- Dan Gray Chair

- Jeff Nauta is under consideration for membership

Community Service- Roy Berelowitz, Chair

- Ask members to recommend charitable organizations that need financial support.

International Service- Mike Brunhofer, Chair

- The Water Water Storage Project in Caborca has been approved by the Rotary Foundation and now clubs are submitting their financial commitments.

- The new project in Guatemala "Healthcare For All" is coming together. Kevin Padilla will be doing a presentation to our club in 2 weeks. The project will cost about \$200,000.

Interact Update: Matthew Pasquelino

- Spoke about the role the VPHS Interact played in the 4th of July Parade, working as volunteers, and handing out necklaces and bracelets to the kids.

Foundation- Jay Lieberman, Chair

- Funds collected during our recent promotion have been submitted to the Foundation and Jay will get a report to update our Paul Harris Points for individuals who participated.

- We'll have a second promotion next May/June-

Jose Vargas- Club Service, Chair 2022-2023

- Wanted to thank Candace Crowley and Sunrise Senior Living for hosting the event, covering the cost of the meals, drinks and servers. It was a great event.

**Peace Ambassador:
Vito Canuso**

Kindness- Week 1

KINDNESS

Kindness is more than behavior. The art of kindness means harboring a spirit of helpfulness, as well as being generous and considerate, and doing so without expecting anything in return. Kindness is a quality of being. The act of giving kindness often is simple, free, positive and healthy. Opportunities for kindness are all around us as we lift our eyes from our troubles and notice the needs of people around us.

"Science and studies show that being kind and helpful clearly has a positive and uplifting effect on those carrying out the act."

"Be kind whenever possible. It is always possible." — Dalai Lama

Happy Bucks:

Kelly McBride- Is sending positive vibes to Stephen Ashley, who is 2 days away from arriving in Honolulu with his Night Watch Team and should finish 4th in their division.
- He also gave a Happy Buck for John Valentine who gave his neighbor \$50 to buy fireworks for the 4th.

Roy Berelowitz- Gave \$20 for Charlie Gallagher being our best dressed president, Robert Frackelton for a job well done, his oldest son, who was recruited by Microsoft to due cybersecurity, and his youngest son, currently in Israel and recently graduated from the University of Oregon.

Don Ware- Is happy for his cousin who was drafted as the 25th pick for the Detroit Pistons Basketball Team.

Jill Kuli- was thrilled that our 4th of July Parade was the biggest ever and made the front page of the Register. Wayne Silzel also commented on the Parade as a sign the city is going in positive directions.

Marc Hurd- Never wore a 3 piece suit or Rotary Tie when he was president.

**Fireworks Update
Diane Rothi**

Diane thanked everyone who worked the booth, especially Marianne Koepnick, Morgan Carter, and Curt Condon, Dave Holler and Kelly McBride, who will be taking over managing the booth. Diane estimates we were down about 10% from last year. Last year we had \$54,000 profit and this year she estimates it should be \$47-48,000.

Wheel of Misfortune

This week we had 2 victims of the wheel-Greg Mills, cast aspersions on Charlie's height and Milt Stamos, who commented on the lack of attendance for Charlie's first meeting. Greg skipped out before he could spin the Wheel and Milt's was going to lunch with a Rotarian. Charlie accepted the invitation.

**Speaker: Dr Elliott Brender
Surgeons for Cambodia.**

Dr Elliott served in Vietnam from November 1971- 1972 during the war. He returned to Vietnam with a group years later and found health care there was much like our health care, with modern facilities and capabilities, but not so in Cambodia. Cambodia had been devastated by the Khmer Rouge, which ruled the country from 1975-1979, where doctors, lawyers and any educated people were executed in what came to be known as the "Killing Fields." It's estimated that 1.7 million people were murdered. As a result their healthcare system suffered. Elliott saw a need and decided to do what he could to help. He began to collect medical instruments, supplies and medications and set off on 2-3 week missions to provide surgical training and do surgeries. To date he has made 11 missions and set up a training program that allows American surgical residents to run clinics, perform surgeries and help train their Cambodian colleague. The government allowed Dr Brender to

set up a clinic in the Khmer Soviet Friendship Hospital, called Dr Brender's American Surgical Clinic. His work there has been honored by the United Nations and Cambodians, and he has been working along with the local Rotary Clubs to distribute food to the local population.

Charlie and Dr Elliott Brender.
Final Quote:

Quote of the Week

“Summer is the time when life gets a little sweeter, and the ice cream truck becomes my personal trainer.” - Unknown
