**Stephen Ashley-** went to Marjan Roshangar and was very happy with the treatment he received.

**Jay & Terry Applebaum** celebrated their 42nd wedding anniversary with a trip on the Rocky Mountaineer Train to Lake Louise and Banff.

### Areas of Service Reports and More

#### International Service- Mike Brunhober, Chair

- The Caborca, Mexico Water Project has been submitted to the Rotary Foundation for approval. The project has been funded.

-Mike is hoping the project will be completed by October and we can go there for the presentation to the community.

- The Elias Mora Foundation Dinner and trip to the Guadalupe Valley for wine tasting will be the weekend of September 9th- 11th. The dinner at Rancho Tecate will be on Saturday Night.

Foundation- Jay Lieberman, Chair.

- Jay thanked those members who submitted checks to the Rotary Foundation. The checks have been mailed.

- Polio has been found in the sewer water in London probably from recent immigrants. So vigilance and Immunization is still necessary.

#### Rancho Santiago Canyon College- Jose Vargas

- Summer enrollment is up and the new classes will begin on July 1st.

#### Peace Ambassador- Elliott Brender

## - Week 4 - Sympathy.

# Week Four – Sympathy

However, as children learn and develop, their ability to feel sympathy also develops as they learn from their parents and others around them. Given that adolescents are often described as exhibiting selfish behavior, it seems likely that ability to sympathize continues to develop throughout childhood and adolescent, and probably into adulthood as well.

**This means that it is possible to develop your ability to feel and express sympathy even as an adult.**
