Listening week 1

Week One - LISTENING

Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger. - James 1:19

What is ACTIVE Listening and how can I practice it?

Use a process called A-L-R to help build connection through active listening. This helps us to deepen conversations, keep them going, and get the most out of them. Here's how A-L-R works:
Asking questions: Asking thoughtful questions is not only a way you can keep the conversation going, but it gives you a deeper understanding of the person or topic you are engaging with.
SLIDE!

Speaker: Robert Frackelton

Robert reminisced about his 8 years in the Villa Park Volunteer Fire Department working with Rotarians Brad Reese and Bob Bell.

Final Quote:

Quote of the Week

“The first week of August hangs at the very top of summer...like the highest seat of a Ferris wheel when it pauses in its turning.” –

Natalie Babbitt
