Rotary Roots

By Solimar Salas, Rotary Roots Committee Co-Chair

Since 2015, the Rotary International Long Beach community has been actively participating in the Rotary Roots program. Through Rotary Roots, we pay tribute to the "roots" of Rotary's early years, when meeting locations rotated among members' businesses allowing an opportunity for a small group of Rotarians to get to know one another, build relationships, and learn about their host's organization.

Our most recent Rotary Roots event took place on September 14, 2022 where the following Rotarians hosted participants at their places of work: Long Beach City Prosecutor Doug Haubert at City Hall; Janet Nelson at the International City Bank;

Chris Wacker at Laserfiche; Dr. Mike Muñoz at Long Beach City College; Cathy Wieder at Long Beach Medical Center; and Dorian Bolick from Red Door Living.

The Spring 2023 Rotary Roots event is coming up on April 12, 2023 and we invite you to sign up to participate! This season's hosts include: **Michele Dobson** from Dobson Law Offices who will focus on ADA topics and legal requirements; **Lance Kenyon** from MHP Structural Engineering will address earthquake preparedness; **Dana Buchanan** from Primal Alchemy Catering will discuss sustainable events and their company's farm-to-table approach to their clients and events; **Dan Garrett** will welcome us to the Salvation Army and share its institutional mission based on social services; **Carolyn Caldwell** and **Michael Neils** from St. Mary Medical Center will share the history of the hospital and their key medical programs; **Jens Rosmus** from Virgin Orbit will take the group on a behind-the-scenes tour; and **Sarah Soriano** from Young

Horizons will share the nonprofit's mission to provide early learning and care for infants, toddlers, and preschoolers from low-income families in Long Beach.

We're thrilled to extend a warm invitation to you to join us in the upcoming Rotary Roots program! At its core, the Rotary Club of Long Beach values the sense of community and family that we build through our shared experiences. That's why we believe the communion among all those who attend Rotary Roots works to further strengthen our bonds as a community and as a family. The Rotary Roots Committee would be honored to have you join us for this special event and we'd also like to encourage you to consider hosting a group in the future. We hope to see you there!
