

PRESIDENT'S MESSAGE

Is Redlands Sunrise Rotary simply irresistible? Is our club so fun that you don't want to miss it? I borrowed these points for a 60-second elevator pitch from the Rotary Magazine.

1. Joining Rotary is mutually beneficial. See your target as a partner.
2. Keep it simple. Communicate your vision and inspire to learn more.
3. Show your joy. Share your passion about what you do in Rotary.
4. No buzzwords. Use your words. Be genuine.
5. Build excitement. Talk about what RSR has accomplished. Pitch a project. If you're looking for funding, this sells it.
6. Find common ground. Create connection. Find shared interests.
7. Anything is possible with Rotary. You know it.

So, can you do all that in 60 seconds? You bet. Share the gift of Rotary every day and everywhere.

My teacher told me years ago not to worry about my spelling because in the future there will be autocorrect and for that I am totally grapefruit.

– Beth Sanders

COMMUNITY SERVICE

Jimmy reported that he won't be heading up parking for the Y Home Tour in December. We are looking for someone to take on.

We have registered for another Open World program similar to the one when we had the team from Serbia.

PROGRAM

Speaker was unable to attend due to illness. President Beth invited us to play two truths and a lie. Fun idea. Just about everyone had a chance to play and we learned interesting facts about each other.
