

PRESIDENT'S MESSAGE

One of our members knew about Rotary from his research of worthy non-profits and learned that the Rotary Foundation is one of the most effective and well-managed charitable organizations in the world, with twelve consecutive four-star ratings from Charity Navigator and an A-plus rating from CharityWatch. So, when invited him to join our club, he was all in!

We know that the Foundation is helping Rotarians do good in the world, but it can be difficult to know the full scope of its work. RSR members Mike Schaefer, Jim Bacca and Rafael Larios each have programs that will connect us internationally. Find out how.

Through your support, our dream of spreading peace is growing. Rotary dreamed big, envisioned a better world, and supported PolioPlus. Soon, polio will be eliminated in the world! Your gift makes a difference for world literacy, peace education, clean water and mother and infant mortality rate worldwide.

What is your passion? How will you share your passion in Rotary this year? Thank you, Redlands Sunrise Rotary, for making the world a better place by supporting the Rotary Foundation.

– Beth Sanders

PREVIOUS MEETING NOTES

President's Vision for 2024-2025

- Create a more accessible and fun club
- Grow a diverse membership
- Develop a signature fundraising event
- Establish the club as a club of action
- Increase opportunities for members to serve
- Facilitate peacebuilding in our community
- Ensure continuity of club leadership

Craft Talk with Bob Barton

Bob, musician extraordinaire, has a BA in music from UCLA and a MA from Chapman College. He has spent 39 years teaching music in the Fontana School District moving around between teaching Elementary and Middle School-aged children.

He joined the Military National Guard in 1996 and spent 25 years in the Air Force Band playing the French horn. Following 9/11, he was deployed for airport security and then in 2005 to New Orleans to help with clean up after Hurricane Katrina.

Bob explained to us that Prop 28, Arts and Music in Schools, brought \$1 billion to the schools. It must be spent on new things, with 80% going to staff and 20% going to supplies. Bob is retired but currently works a few days training new teachers.
