

PRESIDENT'S MESSAGE

Dear Redlands Sunrise Rotarians,

I want to speak of peace. As humanitarians and as Rotarians, peace is a cornerstone of our mission. We refuse to accept conflict as a way of life. People working together for peace in their communities can have a global effect, don't you think? Rotary can provide training that fosters understanding and provides communities with the skills to resolve conflicts.

By supporting service projects, peace fellowships and scholarships, our members are taking action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Let's start locally and reach globally with a commitment to peacebuilding to make the greatest possible impact and achieve our vision of lasting change. Let's find more ways to get involved. Let's listen to others' views and always be respectful and kind. Let's start with living the 4-way test every day. Let's create an environment right now at home and in Redlands where peace can happen.

– Beth Sanders
