

## PRESIDENT'S MESSAGE

At our last board meeting, Michael Schaefer proposed that our club change its name to "Redlands Sunrise to Sunset Rotary" or more formally "Rotary Club of Redlands Sunrise to Sunset" to cheers and overwhelming approval. The name change continues our path to the "one club" concept that was recently reinforced by our new dues/fees pricing model that includes, rather than excludes attendance and meal selection.

Within the next few weeks, club members will have the opportunity to ratify the new name. The formal change requires the approval of 2/3 of the membership present at the morning and afternoon meetings on the set date. That date is not yet set.

Enjoy your week. I will miss you again this week as Jerry and I are hunkered down with the slow recovery from Covid.

– Beth Sanders
