### RLI GRADUATE SESSION SET

On **Saturday, September 20**, we will be offering a full-day session on a combined RLI Graduate Course, the topics of which are *Motivating Members* and *Membership Issues* to our Rotary Leadership Institute graduates:

**Motivating Members** will define what it means to "volunteer" and the importance of offering your services to others in need; ways in which we may stimulate and inspire Rotarians to want to participate more in community and global service projects; and to ignite that latent fire within some Rotarians to encourage them to volunteer to humanitarian causes, among other altruistic endeavors.

The **Membership Issues** session will explore ways in which we may increase club membership in a more sustainable manner; the importance of "exit interviews" when a member resigns from a club; opportunities for our younger members in order to fulfill their philanthropic desires; identify the various reasons why clubs MUST adapt to changes due to emerging cultural challenges; along with many other important membership issues.
