Our speaker this morning was **Zubair Bakubye** on the critical project, *Toilets 4 Life*. He spoke about the Global Grant that has been established to fund the construction of septic tanks and proper irrigation to operate them in Uganda. This country lacks proper sanitation and the need to provide bathrooms for their people has gotten to a critical stage. The lack of proper sanitation leads to more infectious diseases and deaths. Zubair said that over 650 million people in the world do not have clean water to drink, nor proper sanitation measures in place. Properly functioning toilets need water on an ongoing basis. Thank you, Zubair, for a sobering presentation!

A great time was had by those Sunup members who attended last Thursday night's Palm Springs Chamber Mixer at the TRAM! Pictured at the left are **Dess Benedetto, Carrie Allan and Ebony Stinson**. On the right, in the middle of the crowd is **Kristin Bloomer**.
