## THE ROTARY CLUB OF PALM SPRINGS SUNUP

MEETS TUESDAY MORNINGS, 7 AM AT MIZELL CENTER, 480 S. Sunrise Way, PALM SPRINGS- [www.palmspringssunuprotary.org](http://www.palmspringssunuprotary.org)

In light of our scheduled speaker cancelling at the last minute, President Nick came up with a novel and beneficial idea to make the program a "participation" project. He handed out a sheet of questions to each table to discuss what members thought were good ideas for the club and what we could be doing differently. Those members who reported for their individual tables were: **Gabe, Eric, Brian, Jody and Kristin**. Thank you everyone!

**Significance of Rotary Peace Poles**

- A Symbol of Rotary's Commitment to Peace**  
Rotary's vision is a world where people unite and take action to create lasting change—across the globe, in our communities, and in ourselves. Peace Poles serve as a living monument to this commitment, standing tall as a daily reminder that peace begins with each of us.
- A Universal Message of Hope**  
Each Peace Pole bears the message "May Peace Prevail on Earth" in multiple languages, celebrating diversity and reminding all who see it that peace transcends national, racial, religious, and cultural boundaries.
- A Beacon of Community Unity**  
Installing a Peace Pole is often a community act—bringing together Rotarians, local leaders, schools, and citizens. It encourages dialogue, understanding, and collaboration, sowing seeds of peace through collective action.
- A Reflection of Rotary's Focus on Peacebuilding**  
Rotary's 7 Areas of Focus include Peacebuilding and Conflict Prevention. Peace Poles are a tangible expression of Rotary's work in mediation, dialogue facilitation, leadership development, and community building to prevent conflict.
- A Catalyst for Education and Action**  
Beyond symbolism, a Peace Pole can spark conversations, projects, and educational programs around topics like conflict resolution, kindness, environmental stewardship, and human rights.
- A Living Legacy**  
Each Peace Pole becomes part of a global network of 250,000+ Peace Poles planted worldwide. Every Rotary Peace Pole links Rotarians to 5 international family members committed to creating a club of peace for future generations.
- An invitation to Serve Above Self**  
Seeing a Peace Pole encourages Rotarians to serve.

Rotary Peace Poles are living monuments that remind us that...
