Message from our President - August 2022

I'm breathing a sigh of relief with a month's worth of Rotary meetings under my belt. I hope you feel, as I do, that it has gone well so far.

We've had some great speakers. Michelle Branson and I are working together to book the speakers. Please share your ideas with either of us on folks or organizations you'd like to hear from.

A reminder on some dates:

- August 6 – The backpack giveaway in partnership with the Lions Club. Many thanks to Linda and Stanley Oswald for stepping up and taking charge of getting the supplies we'll be putting in the backpacks.
- August 18 – Assistant Governor Michelle French will be visiting with us. She'll make just a few comments to the club and then will sit in on our board meeting afterwards.
- September 17 – Our Lobsterfest at the San Moritz Lodge. We should start promoting it and rounding up silent auction items (yes, we know, Brent – you already have an awesome basket!).
- September 29 – District Governor Don Casper will be visiting with all four clubs (including Big Bear) at Pali Mountain. We'll be dark that day. The joint meeting will be from 6 to 8 p.m.
- October 8 – The district Foundation gala at the Westin Mission Hills Resort in Rancho Mirage. The keynote speaker will be RI President Jennifer Jones.

PRYDE – the leadership camp for seventh-graders – is coming up in November. The board will be discussing sending students to the camp. I've reached out to Aylene Popka from the Lake Arrowhead noon club to see if she will be coordinating the interviews again. Another example of how we are partnering with our fellow Rotarians!

I attended the People of Action summit on Food Security this past Saturday, July 30. Since it was held in Boise, Idaho, I attended virtually. It was really well done, very informative. We were told there were about 30 people who attended in person and 20 virtually. PDG Taco Loretta was one of the organizers. I know I'm going to have some ideas on how we can help ensure food security in our community.

Yours in Rotary service,

Repair

RI President's Message - August 2022

Jennifer Jones
RI President 2022-23

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be

unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength — and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would “go to the moon [and do] other things, not because they are easy, but because they are hard.”

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

Foundation Gala
