### Rotary Club of Hemet Meeting - June 22,2022

By Linda Krupa on Saturday, June 18, 2022

#### GREETINGS TO ROTARY CLUB OF HEMET

It is with mixed emotions that I am preparing my last email newsletter to you all. It has been a wonderful, busy, brutal at times, year coming out of Covid and trying to re-establish in person/hybrid meetings and keep Rotarians interested in the importance of being a Rotarian. Hemet Rotary has had an outstandingly successful year, and it is because of YOU!!!!!!

So, the last official business/celebratory meeting of my year should be FUN !!!!!!!!!!!!!!!!!!!!!!! Bring your food and libations and enjoy. We do have some business to do so it will be important but quick.

We will celebrate Rotarians of the Months for April, May and June. Give out some awards, do some remembering of a wonderful year, celebrate the June Birthdays and do lots of socializing.

I'm so grateful for your dedication in making my year so memorable with so many District Awards and celebrations.

Please join Rotary Club of Hemet for a celebration of a wonderful year.

In Service Above Self and Changing Lives One at a Time.

Linda Krupa  
President 2021-2022
