GREETING FROM ROTARY INTERNATIONAL CONVENTION IN HOT AND HUMID HOUSTON, TEXAS !!!

Our speaker this week is City of Hemet Community Development Director, H.P. Kang. He will talk about all the development in the city.

H.P. has been with the City for several years, initially hired as a Senior Planner and then promoted to Director. So please attend the meeting and learn about all the exciting building going on in the City of Hemet

Coren will open the doors at 5pm and Sir Curtis is in charge of the meeting. I am sure all will go according to plans and schedule and I will probably join the meeting as well. It has been an enjoyable and fun filled convention so far and tonight several of us are attending the Astros/Mariners Baseball game.

MEETING IS WEDNESDAY, JUNE 8, 2022 FROM 5:30PM TO 7:00PM.
