

Matthew McLeroy, director of development and programs, for Desert Best Friend's Closet, will be speaking on Tuesday.

Next Week: the RI Convention Report and the Rotary Environmental Sustainability Action Group

We'll enjoy a Rotary Doubleheader on August 13 when we're scheduled to hear about June's Rotary International Convention in Singapore as well as the latest efforts by Rotary International to see Rotary clubs run more sustainable events. Palm Desert Rotarians **Angelique Ontiveros, Maryalice Owings, Tony Gentry and Mark and Maria Meyer** attended the Singapore convention and each of them will provide a brief report.

Member **Jack Fitzsimmons**, new to Palm Desert Rotary but an experienced Rotarian, is also scheduled to share Rotary's latest sustainability efforts with us. The Rotary Environmental Sustainability Action Group has produced a Green Events Handbook to promote sustainability. The handbook provides a step by step guide to planning and conducting green events. Jack hopes to see our club utilize the handbook in planning our October Pancake Breakfast. The action group has also developed a Flight Carbon Estimator which will allow individual Rotarians to estimate flight carbon emissions and offset those emissions with donations to the Rotary Foundation's Environmental Fund.
