

September 17 - American Red Cross

We're scheduled to get an update from the **American Red Cross** this week. Because of our area wildfires, the Red Cross is operating 24/7 so we're not sure just who will be presenting. Join us Tuesday to find out!

September 24 - Chuckwalla National Monument

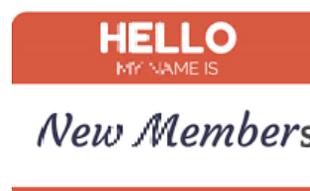

With us on September 24 will be **Karin Jaffie**, marketing and development associate with Friends of the Desert Mountains. Karin will be telling us about the proposed Chuckwalla National Monument and Joshua Tree National Park expansion. The proposed

designation would protect over 660,000 acres of land south of Joshua Tree National Park and northeast of the Salton Sea. The proposed designation is supported by Friends of the Desert Mountains. Friends of the Desert Mountains is a local nonprofit founded in 1987. The group has acquired over 60,000 acres to protect them from future development and to protect over 27 varieties of threatened and endangered species. In addition, the organization works to build, restore and improve access to over 300 miles of desert trails. Friends of the Desert Mountains also offers guided hikes, wildflower walks, night sky viewing events and engaging lectures on our surrounding desert. Karin is a Southern California native who grew up in the southwest and now calls the Cathedral City Cove home.

We're please to present the membership application for Wayne Novak. Wayne has attended 3 meetings and has already met many of our members. Wayne was previously a member of the Bellevue Breakfast Rotary Club in Washington. He has a B.S. degree in Business Administration and Accounting from the University of Kansas and a Master of Business Administration from Northwest University. He currently works in Residential Real Estate Sales. He enjoys outdoor activities like triathlon, pickle ball, hiking and skiing. He is married and has two children.

Volunteer slots are filling quickly for this year's **Mini Muster**. Mini Muster, sponsored by the Palm Desert Historical Society, is an annual event which combines fire safety training and water fun for third graders at area schools. Mini Muster sessions will be held at five area elementary schools and we're asked to provide two to three volunteers for each event. Local Cal Fire personnel and equipment lead each Mini Muster with help from Historical Society members and Palm Desert Rotarians. This year's Mini Muster kicks off at Carter Elementary on Tuesday, Oct. 1. Each of the five Mini Musters begins around 8:30 a.m. and ends before noon. All participants and volunteers are invited to a lunch assembly following the outdoor water fun. Jim Brock will again have a signup sheet this week so check your calendars and come prepared to sign up!
