Providing housing and support for underserved families in Guatemala to empower them to break free from the cycle of poverty.

Joel Vendette has been a Realtor® for over 11 years, serving the Los Angeles and Coachella Valley areas, and became a Home for a Home member in 2015. Before becoming a Realtor®, Joel earned a bachelor's degree in mass communications from Boston University. He went on to work as a Graphic Designer and Art Director for various publishers and within the government. The

in careers came from wanting to work with people in a direct and personal way.

Working in real estate and having a personal belief in volunteering and giving back, aligning with Home for a Home as a member was an easy decision. "When I learned of Home for a Home, it felt like a full-circle moment. I saw how I could use my real estate business to provide homes for those in need. Since joining, I have continuously told others about it, and the response has always been enthusiastic. I want more people to be aware of this organization and participate. I believe Home for a Home is special, and I am excited about this opportunity as we continue on its path of giving back and making the world a better place, one home at a time."

Joel currently lives in Cathedral City, where he enjoys the laid-back atmosphere and ease of life while spending time with his family and dog, taking in all the local area has to offer.

Prescott Preserve Cleanup

By Judy J. Bronstein

Director of Development & Community Engagement for Oswit Land Trust arranged for The Rotary Club of Palm Springs and their Interactors from Palm Springs High School to perform community service through a Rotarians at Work Day. Our group cleaned up the Prescott Preserve site located by the now shuttered Mesquite Country Club which is part of the trust. Lots of fun was had during the Saturday morning event and we are sure a few sore bodies the next day.
