The "Not so" Newlywed Game

By James M. Dunn Jr.

In celebration of Valentine's Day, the planning team of Jenny, Judy, Nandy and Tina invited four of our club's long-time couples to participate in this competitive throw back to the 70s (not dissimilar to our contestants). The couples were quizzed on their knowledge and memory of events shared with their partners.

What ensued after much instruction and joviality was a revealing exploration of long-term relationships. While all of our participants are winners, our Canadians Judy and Roger got the most number of correct answers and were crowned the winners of the game show. Congratulations Roger and Judy!
