Coachella Valley Classical Voices - Steve Baker

By James M. Dunn Jr.

After leaving his career in technology with HP, Steve moved with his husband to Palm Springs about 20 years ago. Steve described his involvement in local non-profit arts organizations.

Steve's husband is a classically trained opera singer and as such wanted to enhance the awareness and deliver of opera here in the valley through the CV Classical Voices.

The group has performed throughout the valley. They will be performing at Mizell October 14th, see Ector if you would like to attend as seating is limited.

The group's objectives are to enrich the valley and to bring together locals with talent and the desire to perform who may not have other outlets to do so.

In his talk, Steve encouraged us to get involved in supporting local arts non-profits whether it is buying tickets, donating or simply attending an event and bringing others. Visit their website to learn more at <https://cvclassicalvoices.com/>
