MEETING HIGHLIGHTS

PROGRAM – CLUB MEETING

Reported by Jenny Hacker

Program: Barbara Lippert, psychic healer and life coach

Rotarian Barbara Lippert recognized she had the gift of healing 40 years ago. From an early age, she knew she was intuitive and began communicating with people who had passed.

She said that while she does not hear the voices, she intuits messages for others. Her work involves bereavement groups, private counseling, and small group psychic events. Enjoying an international reputation, she helps people prepare for court cases, recognize their natural gifts, find direction in life, and communicate with the deceased. Seniors contact her when faced with the “now what” phase of life upon retirement. Her mission is to empower people to find answers to life events.

Active at the Cancer Center of the Desert Regional Hospital, she offers free mediation classes on Monday morning. Barbara believes that “when we’re guided from within our efforts turn out perfectly.”

PEACE CONFERENCE

District 5300, just above us geographically, stages a **Peace Conference** each year (except during COVID). This year, we are working with them on this project as a co-sponsor.

The keynote speaker on March 18th at the Richard Nixon Library is the Secretary General of Rotary International, John Hewko! In addition, we have two virtual sessions. The first is on **March 1st** with Angela Zhong, a noted youth activist for peace from Harvard University, and on **March 9th** with Al Jubitz a highly respected Rotarian peace maker.

Register at:

<https://registrations.dacdb.com/Register/index.cfm?EventID=77623263&NoCaptcha>.

Students enjoy a discounted price of just \$10.00, and **all guests receive free admission to visit the Nixon Library after the event.**

‘COURAGE’

Palm Springs Rotary will host a showing of “Courage” at the PS Community Center on April 12 as their spring fundraiser. San Diego’s KUSI described the film as “an amazing story of honor, conviction, patriotism, and unfortunate hardship endured while serving our country. Two were just young boys taken prisoner by Japanese and German forces and held for over three years during WWII. And five other POWs endured unspeakable treatment inside Vietnam’s Hanoi Hilton.”
