Today's Program:

Our speaker was fellow Rotarian PDG Bill Chase, who shared information on the "Rotary Youth Exchange Program." Bill gave an interesting, humorous, and uplifting presentation. Rotary has had over 9,000 youth exchange students studying abroad. The students learn leadership skills, new languages, new cultures, and greater international understanding that lifts lives and creates friendships that last a lifetime. Our President Jerry Ogburn has said one of our Club's goals is to become active in this program this year.
