SPREAD THE WARMTH Saturday March 13 was a double project day for our club. We delivered the clothing items donated for the Spread the Warmth project - 30 + outfits and 2 huge bags of miscellaneous clothing—to the Coachella Valley Rescue Mission. In April there is a group of clients that will be completing the New Lives program and ready to enter the work force. The clothing will allow them to make that professional impression at interviews. Then we took a tour of the amazing CVRM facility. The welcoming surroundings provides help for those in need. Anyone who needs help for even a few hours to those who are wanting to turn their life around by committing to a 6-9 months program are equally welcome and treated with respect and dignity. It made all of us proud to see the operation that we support so generously.

The Spirit of Rotary emerges through the lives of ordinary people who hear a call and answer in extraordinary ways.

Mike Renner—3rd generation in the desert. Exposed to Rotary as a child. Owner of an accounting software company .

Luz Gonzalez, President Elect, is looking forward to her year as President being her best year in Rotary.

Shane Hagar, Treasurer, received a Rotary scholarship in high school. He is a great organizer believes in strong leadership.

Sara Schmolke, Secretary elect, lost her home town in the fires last year. Rotary is her way of giving back to the community.

These members represent the passion of Rotary and we are proud they are members of our Rotary family.
