President Bob Sweeney's Message

Monday, November 11, 2024

Hello my fellow Rotarians,

First and foremost, on this Veterans Day, I would like to thank all of those who have served for their great personal sacrifice in protecting the freedoms we enjoy. It is a selfless act of love and bravery, and it does not go unappreciated on this day, or any other. Thank you for your service. To honor our veterans and active military members, I am looking forward to attending the Murrieta Field of Honor, and I am hoping that you all can join me.

I want to thank our club member Nancy Williams for arranging a great meeting last week at Galway Downs. The facility and grounds were fantastic, and it was great to hear from Greg Ion and Robert Kellerhouse about the facilities and vision for the property, the equestrian event eventing, and the 2028 Olympics and its potential for stimulating economic growth in our area. Next week, we will be hearing from Amy Moravec about Neighborhood Healthcare's new PACE Center. I hope you are all able to attend.

Yours In Rotary Service,

Bob

Additionally, our club is asking for donations of hoodies, socks and underwear, in conjunction with the Outreach Team/City of Temecula, as part of the Winter Warm Drive. Senior Committee Update

Members of our Senior Committee were able to attend two local Veterans Pinnings ceremonies. They are always an emotional and rewarding experience. Thanks to our club members Craig Davis and Janette Lesovsky for being there and supporting our senior Veterans.

Youth Committee Update

We are still looking for host families for our current Inbound Youth Exchange Student, Martina, and we are now looking for students who may be interested in going abroad next year as part of the Rotary Youth Exchange. If you know of a student who may be interested, please reach out to our club members Jim McLaughlin or Cynthia Mansell, our Youth Services Chair, for more details.

Additionally, the PRYDE orientation was held last week, and our club received a great Thank You card from one of the students. Thanks go out to Julie Ngo, Cynthia Mansell, David Thompson and BJ Fazeli.
