COROTATOR

Notes from the Scribe

How old would ya be, if ya didn't know how old ya was? Frederick Ferguson Mullins, Jr. is 100! Well, on September 13th! And, he's celebrating 50 years in Rotary, or eighteen longer than our esteemed president thinks we've had Rotary! Speaking of that president, **President Tami** whistled our meeting to order with an official NFL ref's whistle given to her by **Cam Cameron**. She asked **Mike Burke** to offer a 9/11 appropriate invocation, thanked **Doug Weisbarth** for the pre-meeting music, and the **Humble Scribe** was honored to introduce the visiting Rotarians.

Rotary Notes of Interest & Announcements

1. The first order of business was for past-president and First Dude of Coronado Rotary **Bill Sandke** to induct our newest member **Janice Lowenberg**. Janice is sponsored by **Jane Simeral** and her classification is "Criminal Justice."
2. The End Polio Now Wine Tasting Party is on, sold out, and need dessert wines! **Jim Kaufman** and **Paul Plumb** were also selling non-raffle tickets for the opportunity to take home some tasty six-packs of delicious wines.
3. De Peeples of Action last week included **Robin MacCartee** attending the Eagle Scout presentation to the young scout we sponsored for his Eagle Scout Project. **Cam Cameron** and **Jim Laslavic** delivered a Football 101 class to our over-subscribed Alt Meeting. **President Tami** may think we like going without straws, but what we really like is FOOTBALL! Finally, we put up and took down Flags for 9/11.
4. We made a big fuss over **Fred Mullins** for his 100th birthday with **Bill Sandke** reading a City of Coronado Proclamation making September 13 **Frederick Ferguson Mullins, Jr.** Day in Coronado. **President Tami** read the coveted Rotary Club of Coronado Proclamation naming September 13th as **Frederick Ferguson Mullins, Jr.** Day all over the Rotary World. And, Foundation Chair **Brent Bennitt** awarded Fred his 8th Paul Harris Fellowship in honor of his life and works. Happy Birthday Ferdie!
5. Beach Clean-up is/was September 14. Hope you made it to the usual place at the usual time.
6. Past-president **Ivan Dunn** needs facilitators for LEAD, which is like RYLA for Middle Schoolers on October 19/20.

Just to get you in the mood for a little wine tasting fun!

The birthday boy received a standing ovation from an adoring crowd. Happy 100th, Fred!

Our wonderful Flag Team paying tribute to those we lost on 9/11.

1. Frederick Ferguson Mullins, Jr., in the company of three generations of Mullins bought \$100 worth of non-raffle tickets and donated \$300 to End Polio Now!
2. Haley Beard is \$100 proud that Sue Maack is now working with her! Sounds like a great team!

Program

Proving once again that the Rotary Club of Coronado has a deep bench, our own Don Woolfolk told us what it was like to be in the Pentagon on September 11, 2001. Needless to say, it was complete chaos with more damage from the plane, the fire, and the water than anyone ever thought. We were also treated to a video message from Jill Olen who is currently in Afghanistan trying to help them become civilized!
