COROTATOR

Notes from the Scribe

Today we met upstairs, in De Big Room, the acoustically challenged Viceroy Room, twice its normal size, but then there were lots of Rotarians to hear our guest speaker. **President Tami** asked **Steve Duermeyer** to offer the invocation and lead the Pledge. The **Humble Scribe** had trouble with the cards but managed to get the visiting Rotarians introduced.

Rotary Notes of Interest & Announcements

1. The End Polio Now! The Wine Tasting Party is Friday, September 27 at **Jim Kaufman's** home and he and **Paul Plumb** were selling non-raffle tickets. Sally Bixler also said there would be the ever-popular dessert wine table. So, now she needs dessert wines. Bring them to the next two meetings if you can.
2. Tomorrow, Thursday, September 19th, the Low Tide Ride & Stride committee is having the wrap party at the Golf Course. Bring and appetizer to share and the first \$500 at the bar are on the committee. Various prizes will be rewarded for the best, most unique appetizers. 5pm.
3. The next Rotary Happy Hour will be at **Rick Wilcoxon's** at 510 H Avenue on Tuesday, September 24th. It's 5-7pm and bring something to share. No prizes at this one.
4. Our Board of Directors approved \$2000 for Rotary Club to Rotary Club relief efforts in the Bahamas'. If you would like to help out as well we're trying to match the \$2000 and make it \$4000.
5. Read your email! There are by-law proposals for your consideration. Talk to **Tom Mitchell** or **Don Panek** if you have any questions, and you DO have questions!
6. Who WAS I! Our "sheriff" **Doug Weisbarth** was born 80 years ago in Ohio, the oldest of three brothers. They were raised on a farm and even won a milking contest at the county fair. He joined the Navy instead of the Marines in 1957 because his dad asked him, "Would you rather walk or ride?" Doug retired from the Navy in 1979 and opened Doug Weisbarth Service which he had for 40 years. He coached Little League, installed the plate and bases at Tidelands Park, coached soccer, umpired and refereed, and for all this he was named a Rotarian of the Year. He is married with three children and five grandchildren. For fun he leads The Rovers and tracks his genealogy.
7. **Ken Kaminski** reported on Coronado High School athletics from his position on the ISF Board. Go to the Islander Sports Foundation website to keep up-to-date.
8. Save the date! November 2 will be the next edition of the Service Club World Championship of Lawn Bowling will be held. See **Tim Cusick** to sign up.

Just to get you in the mood for a little wine tasting fun!

This group of Rotaracters knows how to clean the beach and have some FUN doing it!

Program

Sharon Raffer introduced Tom Karlo, the GM of KPBS, for a discussion of public broadcasting. Tom has been with KPBS for 46 years with the last eleven as GM. KPBS really took off after covering the 1991 Gulf War and they realized that news was their future. Under Tom's leadership they have embraced the digital world. Across all of their platforms, KPBS TV, KPBS Radio, and KPBS.org they are endeavoring to offer local and national news without the bias attributed to commercial media. Their mission is to continue to be the most trusted news source, to continue on the cutting edge of technology, to be a safe haven for discourse, and to serve the community. Look for our own **Richard Williams** on a KPBS TV program Thursday evening. Final fun fact: Tom will be attending the CHS vs. Mountain Empire football game on Friday as his granddaughter is the place-kicker on the ME JV team!
