COROTATOR

Notes from the Scribe

Back to the Viceroy Room, but the acoustically-challenged room was half the size of last week. The Rotary Club of Coronado was at full strength and **President Tami** whistled the meeting to order after we were treated to **Dave Knop's** pre-meeting music. **President Tami** asked **Kevin Rugee** to offer the invocation and our Student Rotarian **Brianna Heinken** led us in the Pledge. **The Scribe** introduced the two regular Rotarian visitors.

Rotary Notes of Interest & Announcements

1. The End Polio Now! The Wine Tasting Party is Friday, September 27 at **Jim Kaufman's** home. **Kevin Rugee** auctioned an "EPN" hat that garnered \$200 from **Art Wilcox**. Kevin noted that with matching funds we have raised \$1.8 million for End Polio Now which translates into 9,000,000 doses in the seven years of the party. We all should be very proud.
2. De Peeples of Action held a LTR&S thank you party last Thursday, held the Rotary Social at **Rick Wilcoxon's** last night, and last weekend did Limbs of Freedom in Ensenada. **Dave Knop** related that they fitted five new limbs, made fourteen repairs, and evaluated four new patients for future treatment.
3. Read your email! There are by-law proposals for your consideration. Talk to **Tom Mitchell** or **Don Panek** if you have any questions, and you DO have questions! We're voting next week, so read up!
4. Who Am I? **Brianna Heinken** is our latest Student Rotarian. A Navy Junior she moved here while in the fourth grade, her seventh move in that short life, she is a RYLA alumna, active in her community, and now Interact president. She will study bio-medicine in college, but doesn't know where yet. (A suggestion: USC!)
5. This Friday's Coronado Roundtable will feature our own David Davenport. Stop by the Winn Room to hear his talk or pick up his book!
6. Speaking of USC, if you're not going to Homecoming on October 19 join the Pacific Beach Rotaract Club for a Pacific Beach Pub Golf Crawl. Maddie Larson said it's only \$18 (or \$70 for a foursome). It starts at The Local in PB at 2:00 p.m. and you're all invited!
7. Save the date! November 2 will be the next edition of the Service Club World Championship of Lawn Bowling will be held. See **Tim Cusick** to sign up.

Just to get you in the mood for a little wine tasting fun!

This hardworking EPN Team is ready to drink some wine and raise a lot of money at the End Polio Now Wine Tasting on Sept. 27th!

Fines and Recognitions

1. **Amy Steward** spent her Hawaiian vacation paddling from Molokai to Maui and somewhere around Oahu. Big distances were involved, but it was rounded down to \$100.
2. Not to be outdone, **Brittany Teeter** spent two weeks in Southeast Asia. Since food was cheap and massages were cheap she had \$50 left for Rotary.
3. Honorable Mention in the annual Invest In Others Awards got **Dan Gensler** a \$150 fine for not mentioning he was a Rotarian, and DGN to boot!
4. It's **Marilyn Rees'** birthday and she offered \$250 to EPN to celebrate!
5. **Sherry Richter** is still a "Red Badger" with one thing left to do. Visit another Club! Since she was president of another Rotary Club we think she might have been to other Clubs. Just to make sure, **President Tami** insisted on a picture of Sherry at a "Club." Sherry picked "The Little Club!" She provided visual proof, but it still cost her \$100 for being a wiseacre!

Family of Rotary

We guess everyone is doing well.

Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

Our favorite ex-patriot, **Patty Cowan**, introduced our School Superintendent Karl Mueller for a quick run-down on what's going on in the school district. He passed out jelly beans for a personality test, and we didn't even get to eat the beans! The bottom-line is that despite the fools that run the state of California, Coronado schools do really well. We score in the top two in math in the county and we have an 84% Advanced Placement pass rate! The underlying philosophy is that every student is important and that the district endeavors to connect with every student. They seem to be successful and we're lucky to have Mr. Mueller as our superintendent.
