Notes from the Scribe

Back to the future! The 90-somethingth president of the Rotary Club of Coronado welcomed us to the ninth meeting of the 32nd year of the REAL beginning of the Club. **President Tami** asked **Paul Plumb** to offer the invocation, and asked our Student Rotarian **Brianna Heinken** to lead us in the Pledge. **The Scribe** took the opportunity of introducing the visiting Rotarians to present our gutty little bruin president with an environmentally friendly metal straw from the USC Alumni Association!

Rotary Notes of Interest & Announcements

1. The End Polio Now! **Pat Flynn** said only 12 tickets are left! **Sherry Calhoun** is helping out with the silent auction items and we need you with unique gifts to step up! It's Friday, September 27 at **Jim Kaufman's** home. Don't forget that a \$250 donation gets you Paul Harris Fellowship credit.
2. Last week De Peeples of Action put up Flags for Labor Day, held a Wine Tasting committee meeting, and even Laz got in on the act! **Jim Laslavic** took a trip back east and let his dog out to lift his leg on Arch Klumph's statue in the park in Ohio.
3. Also traveling, and bringing back slides (of course), **Ivan Dunn** was in Russia for fifteen days and recreated for us the genesis of the St. Petersburg Club and its connection to the Rotary Club of Coronado.
4. Dinner at Fisher House is tomorrow night. **Mary Griffin** explained what it was all about and if there are any who would like to help serving dinner once a month are welcome to have Mary tell you all about it.
5. In case you've been under a rock this past week, a major hurricane has hammered the Bahamas and Shelter Box is there to help. As you know, we support Shelter Box, but if you personally would like to help out more please contact **Orit Ostrowiak**.
6. Bleeders are needed! **Nora Boswell** and **Susan Stone** said Sharp Coronado Hospital is having a blood drive this Friday, September 6 from 10:00 to 3:30. Look for the Bloodmobile!
7. Flags on the Avenue on Patriot's Day, Wednesday, September 11. Meet **Doug Weisbarth** and the crew at 1st and Orange at 7:00 a.m. to put them up then again at 6:00 p.m. to strike the set.
8. The Alt Meeting on September 10 with **Jim Laslavic** and **Cam Cameron** is over-subscribed at 50 attendees with seventeen on the wait list.
9. Beach Clean-up will be September 14.

Just to get you in the mood for a little wine tasting fun!

We're "this close" to eradicating polio forever! Be sure to get your wine tasting tickets and support this great cause!

Corazon de Vida Foundation and CHS Interactors make a GREAT team!

Happy 100th!
WOW!

Fines and Recognitions

1. Let's see if we can follow this one: **Jim Laslavic** took a 7500 mile trip east and **President Tami** fined him a penny a mile. Having stopped at the aforementioned Arch Klumph Park in Ohio, Jim offered AN-OTHER \$75 in honor of **Paul Plumb** who taught Jim everything there is to know of Mr. Klumph. Not to be outdone, **Paul Plumb** offered \$1000 in **Jim Laslavic's** name for the **David Lowenberg** \$5000 match for End Polio Now! Did you follow that?
2. Someone is finally reading the Eagle/Journal and **Bill Greene** had his beautiful mug in there and it cost him \$100.
3. We also met the Interact officers for this year and heard about some of their plans.

Family of Rotary

We hope **Dave Johnson's** recovery is moving along smartly.

Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. Program

The First Dude of Coronado Rotary, **Bill Sandke**, introduced Hilda Pacheco-Taylor who told us about **President Tami's** and **Bill Sandke's** favorite charity Corazon de Vida. Corazon de Vida supports ten Mexican orphanages serving almost 500 abandoned children. ALL "orphanages" in Mexico are operated privately as the government does not get involved. Ms. Pacheco-Taylor estimated that just in Baja there are over 6000 children living on the streets. Their goals are to SUSTAIN, making sure that the children have food, clothing, shelter, and love. IMPROVE, they provide medical and dental care, and have built a new baby/infant dorm. Finally, the EDUCATE, the children after they're basic needs are met. We met two young ladies, a lawyer and an industrial engineer, who came to the orphanage as six or seven year olds and have graduated college and gone on to productive lives. Corazon de Vida has twenty college graduates and sixty in college. Watch for notices of upcoming events including their gala at the Hotel Del and Rotary's trip to the orphanage and WINERY in October.
