## Program

Technical difficulties prevented a timely start with our scheduled speaker former Miami-Dade County Fire Chief David Downey, but have no fear, Coronado Fire Captain Jason Summer was around to give us an update on his Stop the Bleed kits. Chief Downey finally zoomed in and reported on the Champagne Tower collapse. We still don't know the cause, but we do know that 98 people died and 72 of 136 units collapsed. Chief Downey reviewed how they responded and the lessons they learned.
