COROTATOR

Notes from the Scribe

President LuAnn welcomed the most on-time Rotary Club ever to the twenty-sixth meeting of HER Rotary Year. We were delighted to return to CYC and be treated to tamales with all the fixin's. President LuAnn rang the bell and Chris Kleber provided an inspiring invocation and pledge. President LuAnn stood in for Dan Orr to introduce visiting Rotarians (none found us) and welcomed many, many guests. All the Red Badgers stood and were recognized.

In case you missed the meeting, you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

1. We were reminded of the **IB Pantry Food & Clothing Drive**, and from the looks of the overflowing basket at the entrance, lots of us remembered to donate to this worthy cause.
2. In other announcements, we were informed of the **District Membership Seminar** on Saturday, January 21 via Zoom. Red Badgers are particularly encouraged to attend and register online! Also, the **District Anti-Human Trafficking Safe House Clean-up** will take place Saturday, January 28. Please email **President Lu Ann** to participate in this rewarding activity.
3. **The Rotary Board** met last night and spent some money! Our club voted to give \$1,000 to the **Tanzania Orphanage**, \$500 to the **Coronado Middle School Outdoor Education Camp** and \$3,000 to **Thousand Smiles**.
4. Rotarians were truly **Out and About** with our **Social**, where almost everyone brought their own cup, our **Beach Clean-up** with loads of family members supplementing our Rotarian crew, our own **Jeanmarie Bond** who got press for cleaning up the beach on her own and finding the missing mate to a friend's flip flop, and finally **PP Bill Sandke** who was lauded in print for his exemplary eight years on the City council!
5. **Pat Starke** announced that the **Golf Tournament** will take place on **March 31** and that only 36 teams will be allowed to participate, six of which have already registered. Look for an email with the registration link coming soon!
6. **Nancy Nguyen**, our **Rotary Peace Scholar**, provided an update as she prepares to head for the University of Queensland in Brisbane, Australia. She is the first Rotary Peace Scholar presented by our club. Nancy will be one of 12 Rotary Peace Fellows studying there for 1 ½ years. She will be pursuing a Master's Degree researching peacekeeping efforts in Asia. We wish her best of luck in her studies and look forward to hearing word of her progress.
7. **Steve Johnson**, **Editor of the Coronado Times**, reminded us that the electronic publication celebrated its 20th anniversary. His emphasis at the Times is to publish primarily good news about Coronado. He is inspired by Rotary's **Four-Way Test** and our **Service Above Self** motto and encourages us to let him know of our activities so he can give Coronadans the good news of our impact on the community and the world.
8. A **two-fer Who Am I!** What a concept! **Jacqueline and Eric Trapp** presented their outline of their considerable accomplishments, letting us know how fortunate we are that they have joined our club. Jacqueline recently retired after a 33-year career in Human Resources Consolidated Edison. Eric is a former Navy Seal who worked for Ernst & Young and Semptra Energy before getting a Master's Degree in Mental Health Counseling to help Veterans who are having difficulties transitioning to civilian life. Both of them finished their Red Badge requirements and sponsors **Stephanie Anderson and Rob Taylor** removed those red stickers from their badges.

Our Rotary Peace Scholar, Nancy Nguyen, is off to Brisbane, Australia in a few weeks. We are excited to see what her future holds!

Fines and Recognitions

1. Pat Starke was fined \$100 for his "Go Kansas City Chiefs!" plug! Then he offered \$100 for EACH time they win. (If they lose, you still owe \$100, Pat!)

Family of Rotary

So far, so good!

Eric and Jacqueline Trapp are quite the dynamic duo and we are fortunate to have them in our club!

Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

Program

City Council Member **John Duncan** introduced US Attorney Randy Grossman. His jurisdiction is the Southern District of California, which includes San Diego and Imperial Counties. John shared with us that he and Randy graduated the same year from law school and applied for the same job. Randy got the job and John didn't, but John assured us there were no hard feelings!

Randy described the position of the US Attorney's office as one of 93 in the nation and part of the Justice Department. He provided us with information on the office's priorities and described the unique nature of its location next to the Mexican border. Randy outlined some of the office's recent successes and its cooperation with the District Attorney's office. Randy emphasized that his team gets its greatest reward from bringing justice to the community.
