COROTATOR

Notes from the Scribe

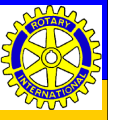

President LuAnn welcomed the most mobile Rotary Club ever to the twenty-seventh meeting of HER Rotary Year. After hanging out at CYC for a few meetings, we travelled down the Strand to CCYC. President LuAnn rang the bell and Ray Bitar provided the Serenity Prayer as our invocation and led us in the pledge. President LuAnn stood in for Dan Orr to introduce visiting Rotarians (none found us) and welcomed several guests. All the Red Badgers stood and were recognized.

In case you missed the meeting, you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

1. President LuAnn let us know about our upcoming events: the **District Anti-Human Trafficking Safe House Clean-up** on Saturday, January 28. Please email **President LuAnn** to participate; the **Rotary Social** on Thursday, February 9 at Doug St. Denis' home; **Beach Clean-up** on Saturday, February 11; and **Flags on the Avenue** on Monday, February 20.
2. We were treated to an amazing picture of **Sheriff Doug** at the barber shop draped with a very fitting cloth with the image of an American Flag on it! Perfect for the man who leads and inspires us as we put up **Flags on the Avenue!**
3. Red Badger **Carrie Seigenthaler** described the recent visit she and the committee made to the **IB Pantry** to deliver food & clothing. She reminded us that the committee will be taking donations of food and (men's) clothing to the pantry throughout the year and as their needs change, she will let us know.
4. **President LuAnn** reminded us that we who work with minors must be certified. Three things are required for certification: District training in protecting minors from abuse and neglect; Livescan background check; submit a District Volunteer Application. The district website contains all of the updated links : <https://rotary5340.org/sitepage/youth-protection-and-certification> When you have accomplished all three of these requirements, the District will notify you if you pass and you are Youth Certified ("YC") and are able to work with Minors in Rotary Youth Programs. Maggie Pettie (Maggiem.pettit@gmail.com) is our Club YPO and maintains records of club members who are up to date on their Youth Certification.
5. **John McCann** demonstrated our versatile website's many capabilities, including our calendar of events where we can reserve a seat with a click, the Historic Photo Dropbox, the list of committees, and member cards, to name a few. You'll be amazed at what you can find and learn!
6. Coronado Schools Foundation President **Michelle Gilmore** became a full-fledged Rotarian by getting rid of her Red Badge and giving her **Who Am I** speech! Who knew that Michelle dreamed of being a drummer in a band? Although that dream of being a band's drummer did not come true, she effectively beats the drum on behalf of Coronado school children and we'll know she'll do so for Rotary as well!
7. After a long COVID pause, **RYLA (Rotary Youth Leadership Awards)** is back up and running! **Karol McClelland** let us know the details: April 14 - 16 at Idyllwild Pines Camp; a District 5340 funded program to motivate young leaders to find additional ways to serve in their communities; applications are due by February 10, 2023; to apply, go to ryla5340.org/how-to-apply.
8. **Pat Starke** featured his KC hat via Zoom and announced that everyone received an email to sign up for the **Golf Tournament**, taking place on **March 31**. Only 36 teams will be allowed to participate, many of which have already registered. Sign up now [Rotary Club of Coronado \(dadlb.com\)](http://Rotary Club of Coronado (dadlb.com)) or be left out!!

Your Board of Directors recently approved a \$1,000 grant to an orphanage and school in Tanzania. We are changing lives-IMAGINE!

Coronado Chamber of Commerce Executive Director (and future Rotarian!) Rena Clancy updated us on the Chamber's doings and plans.

Program

Jeanmarie Bond introduced our speaker, **Rena Clancy**, who joined the Coronado Chamber of Commerce as Executive Director in February 2020, right before COVID changed everything for the business community here and elsewhere. She inspired Coronado businesses to go from “survival mode to thrive mode.” Rena emphasizes connections among businesses to trade ideas and support each other with shared ideas. During the past fifteen months, she has led her team to update the Chamber website, create new events for Chamber members, partner with the Coronado Schools Foundation for a signature event and fund the amazing lights on the Christmas Tree in Rotary Plaza. Her inspirational phrase for businesses is “If it doesn’t make dollars, it doesn’t make sense!” Best of all, Rena calls herself a future Rotarian, so we’ll be seeing more of her!
