COROTATOR

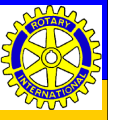

Notes from the Scribe

President LuAnn welcomed everyone to the most celebrated Club in the universe and the twenty-eighth meeting of HER Rotary Year. Roni Hosler was asked to give the invocation and **Dan Orr** had the privilege of introducing the visiting Rotarians and guests of Rotarians.

In case you missed the meeting, you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

1. Rotary Minute: **Roni Hosler** snuck her Rotary Minute into her invocation thereby saving **President LuAnn** a minute to spend on a later Syverson-esque presentation.
2. **Ginger Cox** is heading up a new committee that will support the Imperial Beach Food Bank. Keep alert for updates and what you can do to help our southern neighbors. Emails are coming indicating what sorts of food and clothes they need.
3. Rotary doings coming up: Rotary Social February 9 at **Doug St. Denis's** home. There's a rumor afloat that there might be whiskey tasting at the Social. Beach Clean-up will be 2/11 and Flags go up for Presidents' Day on 2/20. For your planning purposes Rotarians at Work Day will be April 29. And Feed the Needy at Father Joe's will be 4/12 and 11/15.
4. Limbs of Freedom has an opportunity for us! When they fit new prosthetics, they need new shoes to go with their new legs. It's about \$30 a pair and there will be a sign up for the next trip.
5. We were Out & About big time with our beloved **Kitt Williams** featured in 365 Magazine for her and Richard's running accomplishments. We also received nice write-ups in the Coronado Journal and Coronado Times regarding our support for the Imperial Beach Food Bank and Flags on the Avenue.
6. For those of us of a certain age we remember fondly Johnny Carson and "Carnac the Magnificent." **Debbie Syverson** and **Ed Lohlein** shouldn't give up their day jobs! Those of you younger Rotarians, Carnac would read the answer off the proffered envelop, then divine the question. Debby had a dozen answers to which Ed (Carnac) supplied the questions. It was actually pretty funny.
5. Those who work with minors must be youth certified! Three things are required for certification: District training in protecting minors from abuse and neglect; Livescan background check; submit a District Volunteer Application. The district website contains all of the updated links : <https://rotary5340.org/sitepage/youth-protection-and-certification> When you have accomplished all three of these requirements, the District will notify you if you pass and you are Youth Certified ("YC") and are able to work with Minors in Rotary Youth Programs. Maggie Pettie (Maggiem.pettit@gmail.com) is our Club YPO and maintains records of club members who are up to date on their Youth Certification.

Sara Cheverton displays a rather large climbing boot with very sharp “clampons” for summiting an extremely high mountain!

Fines and Recognitions

1. **Pat Starke** got hit for another \$100 for his love of the KC Chiefs!

Family of Rotary

So far, so good! And it was very good to have our bicycling Scribe back among us today!

Debbie “McMahon” and Carnac the Magnificent provided some light, albeit lengthy (Syverson-esque) entertainment!

Membership

The following persons have been invited to join the Rotary Club of Coronado and have been vetted by the Board of Directors and Membership Committee. If any member has an objection to these proposed members they need to make their objections known, in writing within ten days, to the Board of Directors.

Program

Natalie Bailey introduced her gentleman caller, our mayor Richard Bailey, for a tour de force, not of city government, but of mountaineering! It transpires that our mayor is a big time mountain climber, and not just wandering up Mt. Whitney, but climbing 22,500 foot Aconcagua Peak in South America the highest peak outside the Himalayans. Richard told us about the cost of equipment (\$8,000+), whether to go solo or part of a team (go with a team), the itinerary (four weeks to go twelve miles), and the risks (frostbite or death). Not to be outdone, Richard will run the Boston Marathon next April then fly to Nepal to climb Mt. Everest! That’s the best Daily Double ever!
