## Program

**Sharon Raffer** introduced Shaun Briley, Coronado’s Director of Library Services and we got to hear how the Library survived the pandemic shut down. They made physical improvements, created new services, and new events. They remodeled the teen area and cleverly installed soundproofing. They upgraded their website and catalog. And, they have collaborated with other libraries and with authors for festivals and author events. The Winn Room needs remodeling and Shaun solicited our support in leaning on **Bill Sandke, Marvin Heinze, and Mike Donovan** to get the remodel funded!
