COROTATOR

Notes from the Scribe

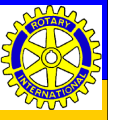

President Bob welcomed us to another fun-filled, action-packed adventure in Rotary! He asked **Rob Taylor** to offer the invocation. **President Bob** then asked **Dan Orr** to introduce all the visiting Rotarians and the guests of Rotarians. **President Bob** recognized all the Red Badgers in attendance.

In case you missed the meeting, you can catch it here on YouTube:

Rotary Notes of Interest & Announcements

1. We'll learn all about the F-35 at the Alt Meeting on January 25. Our own **Johnny Cushing** will be the speaker.
2. Rotary was "out and about" restocking Fisher House, socializing at **Pat Flynn's**, cleaning up the beach, and putting up the Flags for MLK Day.
3. The Golf Tournament is coming up on March 15 and **Pat Starke** has a deal for you: Be one of the first 10 foursomes to sign up and have a shot at \$100,000! www.coronadorotarygolf.com for information and registration.
4. The International Fellowship of Skiing Rotarians is going to Bend, OR February 3-10. There's still room if you want to go.
5. **LuAnn Miller** is promoting Citizen Casualty Awareness Training (CCAT). Join your fellow Rotarians in learning how to save lives in an emergency situation. Contact LuAnn at ljs49@msn.com or 619-865-5268.
6. Who Am I? **Amanda Mineer** grew up in Arizona on her dad's ranch, the youngest of six children. She started at Oral Roberts University and matriculated at Northeastern. Knowing she wanted to be a lawyer she came west to attend USD Law School, opened her own firm, and got involved with clean water and disabled veterans' issues.
7. Who Am I, Part II. **J.T. Greenleaf** is a husband, father, and Pastor! He is ordained by the United Methodist Church and serves at St. Paul's which is his sixth church in ten years.
8. There is going to be a big push to get our Endowment Fund up to \$1 million by our Centennial.
9. Did you know that on March 8, 2026, Coronado Rotary will be 100 years old? It's never too early to start planning as it will be a big event. **Suzanne Popp** is looking for volunteers to help put together the gift to the city, the book, the ice cream social, and everything else.

Thanks, Flag Crew, for dressing up our town with patriotic pride on MLK Day!

Program

Chris Kleber introduced Dr. Gerald Chun who will be giving out three units of college credit for attending this seminar on Alzheimer's! It was over Your Humble Scribe's head! It was all about DNA, RNA, cells, and genomes, mosaics and reconfiguration of chromosomes. It was too much for someone with a USC education!
