## COROTATOR

### *Notes from the Scribe*

**President Bob** presided over another terrific meeting of the greatest Club in the universe! We met at our home away from home: CYC. **President Bob** asked **Paul Laedlein** to offer the invocation, **President Bob** then asked **Dan Orr** to introduce all the visiting Rotarians and then guests of Rotarians, and then he announced the birth of his first grandchild, Parker Jane Rice, and passed out cigars! **President Bob** DID NOT introduce all the red badgers.

In case you missed the meeting, you can catch it here on YouTube:

## Program

We had more three stars in the house today as **Brent Bennitt** introduced the “Air Boss” with one of the greatest call signs ever: Vice Admiral Dan “Undra” Cheever! Admiral Cheever regaled us with stories of his upbringing, his family (He’s the father of triplets. Something **John Duncan** knows about!), his job, the world order, and his mentors, two of which were here today. Admiral Cheever is in charge of the US Navy’s air force. Hence the moniker “Air Boss!”
