COROTATOR

Notes from the Scribe

President Bob welcomed everyone to the Coronado Cays Yacht Club and we started ten minutes early because we had such a packed agenda! **Scott Metzger** gave the invocation and **Dan Orr** had the pleasure of introducing the guests of Rotarians. **President Bob** had NO trouble introducing the Red Badgers in attendance.

Fines and Recognitions

No time today!

Family of Rotary

PP/PDG Dan Gensler is battling cancer. Please keep all the Gensler's in your prayers and be on the look out for the Meal Train emails. Happily, it's over-subscribed until June.

We were honored to recognize Jazmyn Wright, Naval Base Coronado's Sailor of the Year. Bravo!

Program

John Charles introduced Mark Silis of MIT who gave us a history of artificial intelligence. The good new is that our computers cannot reason so at least we are safe from marauding rogue computers. A lively Q and A followed Mark's presentation as Rotarians wanted to know more about what's in store for our future.
