NOTES FROM THE SCRIBE:

President Pat called on **Brent Bennitt** for a Veterans Day invocation. Then he asked **Alec Bagin** to introduce the visiting Rotarians and guests of Rotarians. Today was National Cappuccino Day and **President Pat** presented our politician de jour, mayor-elect **John Duncan**, with a gift card for two so John and Peggy can survive their late night! **President Pat** asked all the red badgers what the weirdest food they've ever eaten was? He got some weird responses.

Program:

Hoover Institute scholar Dave Davenport regaled us with a discussion of his book, "A Republic if you can Teach It" where he laments the lack of teaching civics in elementary, high schools, and colleges. He wants school boards to be more vigilant in making time for civics.
