## COROTATOR

NOTES FROM THE SCRIBE:

President Pat opened National Popeye the Sailor Day by asking Sue Ryan to offer the invocation. He asked Julie Lowell to introduce the visiting Rotarians and the guests of Rotarians. President Pat presented Ivan Dunn with a bottle of olive oil (get it?). And you thought he was getting spinach!

## Rotary Notes of Interest & Announcements

1. **President Pat** called up **Stepanie Anderson** and presented her with a star for collecting all the toys for STEP.
2. **Ivan Dunn** inducted **Brian Lopez** as the newest member in Coronado Rotary. His classification is "Civil Service" and he is sponsored by **Virginia Bayer**.
3. Rotarians will gather at UCSD from 1-4 on January 26 to assemble water purification indicators (WAPIs). See **Chris Keyes** if you want to help out.
4. Rotarians were out and about socializing at **Doug St. Denis's**, cleaning the beach, and stocking the Fisher House pantry.
5. **Patty Cowen** is back with us! She did her "Who Am I?" today and reminded us that she was the jefe grande of CSF and grew it into something special before moving to Mexico for the last five years. She's returned to Coronado, to Rotary, and to watch over her grandchildren.
6. Real "Who Am I?" **Alec Bagin** is from Ukraine where he graduated from university, studied languages, started a gift business, lost the business to the war, immigrated to the USA, and started a business using technology to help business leaders. We'll hear from **Nadiia Bagin** soon to find out if any of this is true!
7. **LuAnn Miller** said that if you would like to help out at the Generate Hope house in Coronado on Saturday from 8:30 am to 12 pm, please let her know. They need help in the backyard and in the house.
