COROTATOR

NOTES FROM THE SCRIBE:

President Pat opened National Granola Bar Day by asking Jane Simeral to offer the invocation. He asked Rob Taylor to introduce the visiting Rotarians and the guests of Rotarians. President Pat presented Tina Friend and Debbie McBride with granola bars because they would need the energy to attend their overly long meetings. He also asked the Red-badgers what their New Years Resolution was and if they're keeping them!

Program:

Jeanmarie Bond introduced Wendy Patrick a district attorney and public speaker who spoke to us on detecting deception. It was a great program and she told us the 7 things to look for in our communications with others: Personal appearance, Body language, Voice, Communications style, Content, Actions, and Environment. Go out and be an informed listener!

Sara Cheverton and Juliane Morris tell us about the field trip to UCSD to see the Stuart Collection. They encourage everyone to go see it.

WHO AM I?

Kathy MacDonald and Jim Lewis tell us who they are and give their Rotary Minute

Granola bar girls Tina Friend & Debbie McBride are awarded sustenance for their long meetings.
