As a foundation, we support our mission by building on our four pillars:

Student Aid

Because of supporters like you, during the 2022-2023 school year, we were able to support these pillars by providing:

- 41,000+ Student Weekend Kits
- 38,000+ Snack Kits
- 40,000+ student aid items (backpacks, school supplies, clothing, and more)
- 1,300+ UTA passes
- 200+ students a college campus visit
- 350+ teachers supported and/or recognition through EXCEL, Thank you Thursday, and our Teacher Appreciation Fair.

Your financial contribution has helped make a true impact on the students and educators in the Granite School District.

Sincerely,
