

Holladay Rotary Club,

Thank you for the generous donation to the Olympus Food Pantry. We love the birthday kits you put together. I'm sure our clients will love them too!! We are saving the flour and sugar to give with our Christmas bag. Thank you for such an amazing donation.

Last school year, we gave out 3,500 Fresh Food Bags, and we are projected to do even more this school year!

We know there are many places you could donate to, so we are thankful you chose us.

Thank you for the difference you make in our community.

With much appreciation,  
Rachel Allen  
OFP Director
