## The Danger of Purchasing Drugs On Social Media in the Age of Fentanyl

Friday, February 17, 2023

Here is the PowerPoint from yesterday's powerful and emotional presentation. Please download it [here](#), view it, save it and share it widely!

**Presenter: Ed Ternan, Founder and President of Song for Charlie**

**Program: Drugs in the Age of Fentanyl**

Rather than blame social media companies for sales of dangerous substances, Ed and Mary Ternan saw an opportunity to make a change. They created the nonprofit Song for Charlie to raise awareness about fentanyl and fentanyl-laced substances being sold to young people on social media.
