Thank you, Mercantile in Mead!

Wednesday, September 28, 2022

Twin Peaks Rotary would like to thank **Corey Hanson of the Mead Mercantile**, located in the Sekich business park just east of I-25 and Hwy 66 for providing the green chiles at cost and donating the labor.

This savings is enough for one of our college scholarships!

Please visit the Mercantile and if you have not had one of their Key Lime pies, they are the best, besides the other items in their store.

Also, note that Mead Rotary meets there on Monday nights at 6 pm.

Green Chiles and More Available

If you want Steve to deliver Thursday noon to the meeting, please *email him by 7 am on Thursday*.

His email is <http://nrvc@hotmail.com>
