District Convergence

📅 Sep 30, 2023 9:00 AM - 4:00 PM

October 14 - Habitat Build

District Dates to Note

From President Donna:

There are some changes coming down the pike in the District 5450 calendar that I wanted to pass along to you.

1. The District 5450 Conference is moving from spring to fall. Watch for the new District Convergence on September 30, from 9 am-4 pm at Front Range Community College-Westminster campus. The entire focus of the event will be devoted to developing service projects in our clubs.

2. A new leadership development program is being introduced this fall called RISE, Rotarians Inspired to Succeed and Engage. It's a six-week program starting with an in-person session on September 23 followed by four virtual sessions and a closing in-person session in November. RISE takes the place of the previous Rotary Leadership Institute, and will be a great way to expand your knowledge of Rotary. Registration opens August 7 and is limited to 25 participants.

Our district sends two regular communications to Rotarians throughout the district each month--one a newsletter at the beginning of the month and the other an Extra! Extra! communiqué devoted more to club news in the middle of the month. Watch for these publications in your inbox as they

will include the details on the above registration opportunities. And if you are not receiving these two items, please let Keri Davis or me know so that we may update your email contact information.

Holiday Ball

It's never too early to get in the holiday mood! The annual Holiday Ball will be at the Dickens Opera House on November 18 at 7 PM.

All members have been provided two tickets to use or sell. There are two ways to pay for them: mail a check (made out to "Charity Fund Inc.") for \$75/person to Twin Peaks Rotary, PO Box 1453, Longmont CO 80501 or hand your check to Teed Schey, Rick Samson or Kurt Finley at a meeting. A credit card option will be available soon on our club website.
