**Program By: Erin Fosdick, President/CEO of Longmont Economic Development Partnership**

This will be a joint meeting of the Longmont Rotary and Longmont Twin Peaks Rotary Clubs.

**July 13 Joint Meeting Logistics**

The Longmont Twin Peaks Rotary members will host the Longmont Rotary members in a joint meeting on Thursday, July 13, 2023. Because this event will dramatically increase the quantity of people to park, check-in and eat lunch, we encourage you to get an earlier start than you might otherwise. If street parking fills up, remember there is a larger lot on the west side of the building. Please stop at the check-in table to sign in, pick up your badge and enter the fishbowl drawing as you normally would. The buffet line will open by 11:45 am. Please make all our guests feel welcome. We look forward to hearing from Erin Fosdick, the new president and CEO of the Longmont Economic Development Partnership.

## **PK Polio Koala Arrives in Longmont**

By Donna E. Mercier

For those of you who attended our July 6 meeting, I am very pleased to report that PK the Polio Koala made it all the way from Australia to Longmont safe and sound:

And my one-year-old granddaughter Nora, who learned to walk polio free this past year, was able to give him a hug and take him with her back to New York City:

For those of you who missed the July 6 meeting, PK started his journey from the 2023 Melbourne Rotary International Convention House of Friendship as part of an End Polio Now fundraiser for the District 9560 Passport Rotary Club.

And I plan to donate PK's twin to our End Polio Now auction in honor of World Polio Day, October 24!
