## Humane Society Service Project

By Wendy Frick

It's time for the Longmont Humane Society service project!

This event is Twin Peaks Rotary's family friendly service project. This was chosen with YOUR family in mind, so you can share the gift of service with your children or grandchildren.

Funding for all animal support, including the Humane Society, has been drastically reduced in recent years. Our furry friends desperately need all our support.

It is a low time and effort commitment but still very valuable.

The Humane Society supplies small, light-weight fake trees for you to place at an assigned local business before Thanksgiving. The Society also supplies ornaments and donation envelopes for the trees and slotted boxes for donors to insert their donation. Every week or two, you visit the tree and collect the envelopes. We collect the donation boxes and trees after the 1st of the year. That's all there is to it!

If you'd like to volunteer or if you have any additional questions, please contact Wendy Frick.

## Another Outstanding Holiday Ball

By Donna E. Mercier

Photos retrieved by Charlene Gearing.

On November 18th the Longmont Twin Peaks Rotary club members, friends, patrons and sponsors kicked off the season with another fantastic Holiday Ball! It was wonderful to be back at Dickens Opera House with great food and drinks. Thank you Roots hospitality team for making that happen. And watching the generations rocking out, line dancing or cutting a rug to the Wash Park Band brought smiles to everyone's faces. It was awesome!!

Congratulations to Kurt Finley, Rich Schenker, Rick Samson, Carol Schack and Charlene Gearing for all the planning, organizing, decorating and recruiting that went into making this delightful event possible. And thank you to our Sponsors Providers, ticket purchasers and raffle supporters! Funds raised from this event will support our Twin Peaks Charity Fund service to the community. And congrats to Emily Bauer, the drawing winner! What a terrific 2-for-1 treat--fun and fundraising! Outstanding!!!
