World Immunization Week

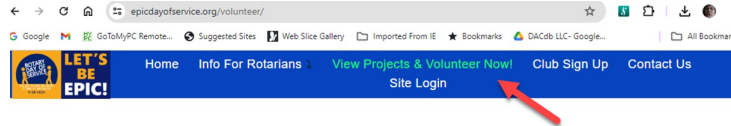

Immunization is a cornerstone of public health, saving millions of lives each year and preventing the spread of infectious diseases, like polio. Rotary International has spent over 40 years making sure children receive life-saving polio vaccines, beginning with our first immunization campaign in the Philippines in 1979.

Help Create an EPIC Day of Service
May 18, 2024

Rotarians and community members from across 10 states and 6 countries are coming together on one EPIC Day of Service to make a world of difference in their communities. We invite all Rotary members and friends, family and community members to join this amazing project! Our goal is to unite 25,000 volunteers in 750 communities to take action that will deliver meaningful

Longmont Twin Peaks' project will be our Dickens Farm Nature Center cleanup in the morning. Later in the day Longmont Torary is taking the lead at Growing Gardens. Other nearby projects are being coordinated by Boulder, Boulder Flatirons, Boulder Valley, and Niwot Rotary clubs. Our hope is that Rotarians will feel free to "cross pollinate" and choose to volunteer alongside fellow Rotarians from other clubs.

The Rotary clubs in Boulder County are making a concerted effort to support and feature each other's projects. To learn more about the opportunities for service nearby, [click here](#) to view the video.

Some projects can only accommodate a limited number of people. Knowing not everyone is comfortable navigating a registration process like this, *Doug Linton graciously offered to fire up the club's laptop for the next few weekly meetings to assist members with the sign-up process.*

Rotary clubs throughout our county, district and state are planning service projects to undertake on Saturday, May 18, 2024. In doing so, we hope to draw extra attention to how important being People of Action is to Rotarians.

Sign up by going to epicdayofservice.org and selecting the View Projects & Volunteer Now menu option.
