Presenter: Naomi Curland, Colorado Agrivoltaic Learning Center

The Colorado Agrivoltaic Learning Center (CALC) encourages sustainability leadership by connecting students, community members, and policymakers to clean energy, local food, and responsible land use management through agrivoltaic tours and events. CALC is based out of the largest agrivoltaic research site in the United States, Jack's Solar Garden.

Thank you to everyone, Rotarians, spouses, friends and family members!

Lots of hard-working volunteers helped in all phases, from advertising, to loading and unloading gear, to unloading hay bales and setting up tables and lumber benches, to cooking sausages ahead of time and at home, to cooking and serving and cleaning up and then finally to putting all the gear back into the storage work. Twin Peaks Rotarians are PEOPLE OF ACTION!

District Dates to Note

From President Donna:

There are some changes coming down the pike in the District 5450 calendar that I wanted to pass along to you.

1. The District 5450 Conference is moving from spring to fall. Watch for the new District Convergence on September 30, from 9 am-4 pm at Front Range Community College-Westminster campus. The entire focus of the event will be devoted to developing service projects in our clubs.
2. A new leadership development program is being introduced this fall called RISE, Rotarians Inspired to Succeed and Engage. It's a six-week program starting with an in-person session on September 23 followed by four virtual sessions and a closing in-person session in November. RISE takes the place of the previous Rotary Leadership Institute, and will be a great way to expand your knowledge of Rotary. Registration opens August 7 and is limited to 25 participants.

Our district sends two regular communications to Rotarians throughout the district each month--one a newsletter at the beginning of the month and the other an Extra! Extra! communiqué devoted more to club news in the middle of the month. Watch for these publications in your inbox as they will include the details on the above registration opportunities. And if you are not receiving these two items, please let Keri Davis or me know so that we may update your email contact information.

Calendar/Announcements

Subject: August Social

To: Longmont Twin Peaks Rotary Members

GOOD MORNING DEAR ROTARIANS,

Are you ready for another great social?

Vivant Financial Services, Ryan Mason, our Assistant Governor, is hosting his annual gathering of Rotarians!

Niwot and Twin Peaks Rotary Clubs are invited to attend!

Vivant Financial Services

[940 KIMBARK St.](#)

[Longmont, 80501](#)

August 26th (Saturday)

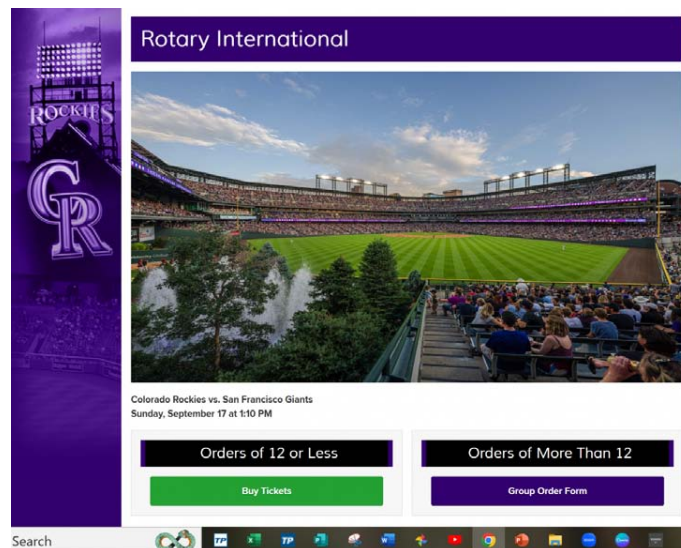

2:00 to 5:00pm

Games, drinks, small bites and fellowship!

YOU MUST RSVP TO THIS EMAIL WITH NAMES AND HOW MANY BY AUGUST 13th.

Thank you,
Rose Crispin

Have Fun; Help End Polio!

Your club has an opportunity you don't want to miss!

Save a child from being paralyzed or losing his life due to polio. While-with your Rotary club-have fun, root for our team, enjoy baseball at Coors Field, watching our Rockies play the Giants on Sunday, September 17, 2023. Yes, we know our Rockies are not the best team in baseball. However, they do throw us surprises. Last week at the All Star game Elias Diaz won the 2023 MLB All-Star MVP and the Rockies won the series against the Yankees 2-1. As Rotarians, we look at the bright side. We can only hope and have fun at the game! Please join us. How?

Using Rotary's special link, Rockies.com/Rotary, buy tickets individually or for your whole club to sit together, for a fantastic Rotary outing wearing your Rotary gear. You get a special price of \$28 (normal cost of \$34) and Rotary will receive \$5 from the Rockies for polio eradication.

So, what are you waiting for? DO IT!

Cindy Chase,
Polio Committee, Colorado, District 5450
