**Bid often. Bid high. Be generous. Each dollar is matched by 2 dollars by the Gates Foundation!**

### Students of the Month Community Service

**Left to Right: Wyatt, Brooklyn and Litzy**

#### **Lyons – Wyatt Saunders**

Wyatt Saunders, a standout student at Lyons, demonstrates exceptional leadership and service. He holds positions as the President of the Lyons Leos, Vice President of the National Honor Society, and Vice President of Student Council. Through these organizations and on his own, Wyatt has contributed in countless ways to our school and community. A unique experience that he generously offered was teaching *free* 3D printing classes at the local library.

Wyatt is actively involved in our school's Science and Leadership program, where our students have the opportunity to teach lessons to the Lyons elementary school students and create connections in our community

through building strong relationships. Wyatt's teachers agree that his dedication is evident in his consistently high-quality work, which reflects his enthusiasm for learning. He is a motivated and confident leader who serves as a role model, especially as an advisor to the yearbook staff. Overall, Wyatt embodies the qualities of an exemplary leader, committed to both academic excellence and community service. Congratulations, Wyatt! Lyons is proud of you.

### **Skyline – Litzy Ortiz-Garcia (DECA Advisor)**

Litzy is an exceptional young woman who embodies the very essence of what this award represents – a well-rounded student with outstanding character and leadership qualities.

Litzy has consistently gone above and beyond in her volunteer efforts. She is always the first to step up, often without counting her hours for National Honor Society, DECA (Business), or other organizations. She never turns down an opportunity to help. This fall alone, her efforts helped us raise over \$3,000 for DECA. She has represented Skyline High School while volunteering at the middle schools, supported the Latino Chamber of Commerce with their Tamale Festival, and much more. Additionally, she mentors younger students whenever asked or when she identifies a need. As DECA President, Litzy's dedication and selflessness have been key to our program's growth. Last year, we had 21 registered DECA members; thanks to her leadership and commitment, that number has nearly tripled, with 54 registered members this year. Litzy is truly the best of the best, always saying "yes" when asked and finding opportunities to benefit others. We are incredibly proud of Litzy's accomplishments and believe she would be a most deserving recipient of the Twin Peaks Rotary Student of the Month award.

### **Silver Creek – Brooklynn Baum (counselor)**

If there is one student I could pick for a video interview to play back to our incoming freshman class each year, it would be Brooklynn Baum. We recognize Brooklynn to be a person who consistently takes initiative, strives for personal excellence, seeks scholarship and shares kindness with all. Whenever Brooklynn sees a need, she is willing to lend a helping hand. She is heavily involved in our school and community. She also holds many leadership positions, such as: SCHS Student Body President, co-president of our National Honor Society chapter, secretary of the Longmont Youth Council, member of the Dance Dimensions competitive company, and senior Ambassador for the Silver Creek Leadership Academy (SCLA). For SCLA this year, Brooklynn will undertake and manage a capstone project to benefit The Innocence Project, an organization that aids the wrongfully incarcerated. She ultimately plans to become a lawyer who works with this population. Our SCLA Coordinator finds this to be one of the most deeply meaningful projects to be presented. As she applies to colleges, we know that whichever school Brooklynn chooses will be as lucky as Silver Creek has been to count her as a community member and leader.

### **Longmont – Nayeli Cano Montes (Emily Knapp, LHS science teacher and NHS Advisor) *unable to attend***

"Nayeli Cano Montes is a valued member of our National Honor Society chapter and consistently completes her volunteer hours ahead of schedule. She is among the first in our group to sign up to help with after school events that support her fellow students and their parents, such as Back to School nights and club sign up days. She also volunteers with our Unidos organization on numerous community related events. She recently volunteered at a reunion night for LHS alumni, she sang with our Mariachi group at Artwalk, and she is a part of our Medical and BioScience academy.

She goes above and beyond with each of these organizations within our school and the outside community and she truly deserves to be recognized for all of her community service-related volunteer contributions."
