## Twin Peaks Flags

By Kent Schnegelberger

Dear Rotarians,

With President's Day (February 17) placement we are completing our second year of the flag program. We have 61 flags being placed. Since July we have added ten new subscriptions. The flag committee met right after the first of the year and voted to release \$2,000 for scholarships during this year. Last year we were able to release over \$1,400 for scholarships. This program has been able to contribute almost \$3,500 in its first two years.

The committee wants to thank every member who has assisted in this program during this time. We have expanded to five routes and may soon add another route. This is not possible without the assistance of our fellow Rotarians. Thank you! Thank you! Thank you!

Our next deployment will be on February 13. Flags will be at the meeting for teams to deploy or if some teams want to in the morning, please let PK know so that we can get you flags in the morning. We would like to have two people on each team, it makes deployment a little easier, but one person can since most routes are around ten flags. You can either email PK at [ckschnege@msn.com](mailto:ckschnege@msn.com) or text him at 303-775-6556.
