Meeting Notes July 7, 2022

By Dean Tibbetts

Today there were 33 Rotarians attending in person and Bill Grantham, Moe Raso, Carol Pfister, and Nicole Raymond via ZOOM. Guests in attendance in addition to Eugene Friesen were Kathy Dean, Chad Denson, and the family of our newest member, Angelica Chavez; husband Joe Chavez and their children Scarlett and Joe.

Ann Marsh provided the Moment of Reflection telling the story of Dollie Parton who began a program called Imagine Library which provided a book to each child in her county each year until age five. Over 1 Million Books have been distributed worldwide. A good example of how imagination can spread powerful messages throughout the world.

New Member Installation - Angelica Chavez was installed as a new Valle Verde Rotarian by Membership Chairperson, Michele Lewis, with assistance from sponsor Sandy Wahl, Gary Friedman, Sue Horton, and Rotarian Chad Denson who encouraged her to visit our club. Angelica grew up in Sahuarita/ Green Valley, became an accountant, is married to Joe and has two young children. After benefitting from her associations in this area she is wanting to give back to her community through Rotary.

Announcements

Ron Darrah announced Bill Grantham will return home on Saturday. Sue Horton awarded Ron for the care he has provided to Bill during his recovery.

Gary is looking for volunteers to assist with cleaning the musical instruments at Continental School. They are now in need of cleaning.

Jim Rusk circulated a signup sheet for a Fisher House work day July 21. Those not able to attend may also purchase Fry's gift cards which are used to purchase food for guests of Fisher House.

The Family of Rotary Committee will meet July 14. Nancy Green and committee will assist with future Thirsty Thursdays.

Charlotte announced our unused coffee mugs may be purchased with a goodwill donation. The proceeds will be used for a charitable cause.

Michele announced Thirsty Thursday will be July 28 at Barrio Brewing 4:00 PM. Carpooling will be available at the church at 3:00 PM. A fall celebration will be held October 21. It will be a 35th anniversary party with the theme, Remember When.

Charlotte asked members who haven't to please sign last year's Rotary

Banner to be given to Bill Grantham.

Today's Program - Steve Sibulsky and DACdb

But first, Steve explained the change coming next week in the club raffle. Replacing Paul Harris dollars, we will conduct a 50/50 raffle with tickets remaining one for \$2 and three for \$5. Each week a ticket will be drawn and the holder of the ticket will draw a card from a deck. Drawing the Joker entitles the winner to half the pot. The non-Joker ticket drawn will be torn up, and the drawing will continue each week as the pot grows until a winning Joker is drawn. There might also be four specially marked cards that represent other donated gifts. The club will seed each opening pot with \$100.

And now DACdb.

Steve discussed the conversion from ClubRunner to DACdb, (District And Club data base). He explained the portion of the website available to the general public which informs them of club activities and how to contact the club.

Through the website Login, members can access additional features such as their personal data and explained how members can edit that information. Among other tools, members will be able to send emails to other members and complete a reimbursement form online. However, emailing one member is always easier using regular email.

One new feature is the Finance Module which allows the Club Treasurer to send invoices by email, and the invoices may be paid by credit card online. A new Blue Tooth device will allow the Treasurer to accept payments and donations with a credit card.

DACdb can be accessed through the Valle Verde website or directly through DACdb.com.

Members may download a DACdb APP on their phones which allows them to view information but not login to make changes.

As we all go through the learning process, Steve will be available to answer questions.

Steve has done a lot of research to prepare for this day, and we are grateful to have his expertise available to us.

Next Week's Program - Randy Graf, Green Valley Chamber of Commerce

Today there were 33 Rotarians attending in person and Bill Grantham, Moe Raso, Carol Pfister, and Nicole Raymond via ZOOM. Guests in attendance in addition to Eugene Friesen were Kathy Dean, Chad Denson, and the family of our newest member, Angelica Chavez, husband Joe Chavez and their children Scarlett and Joe.
